### Chrismont Introduces Two New Wines

**LA ZONA**

Chrismont Wines announce the release of two new wines: the **LA ZONA Rosato Mezzanotte 2005** & **LA ZONA Marzemino Frizzante**. **Rosato Mezzanotte** takes its name from the Italian word for midnight, referring to the

time of day the lightly coloured juice was drained off the skins of red grapes before fermenting. For our *rosato*, we specifically chose to blend three varieties, Barbera, Marzemino & Sangiovese, not usually seen in New World blush wines, but traditionally made into *vini rosati* (rosé wines) in their traditional homeland of Italy. Drink young & well-chilled. Enjoy with duck fillet & apple salad or garlic prawns.

What makes our **Marzemino Frizzante** so refreshing and different? Is it the exceptionally brilliant aromatics or the fact it remains delicate yet spritzig on the palate? Marzemino is an Italian variety from the northern regions that we have found to grow particularly well in our Whitfield vineyards. Drink this wine slightly chilled. Enjoy with a selection of cheeses or tortellini skewers and your favourite pesto.

The release date for these wines is **Saturday 19 November**, to coincide with our **Eat Italy! Drink Italy!** event.
