A warm-hearted invitation is extended to all to join us in June over the Queen's Birthday Long Weekend for Chrismont's mid-year festival, *winterfest*!

Chrismont is excited to have **Matt Wilkinson**, head chef at Melbourne's renowned restaurant *Circa, the Prince*, with us to prepare sumptuous, succulent and savoury food to warm guests from winter's chill!

The lunch selection begins with an entrée of cauliflower soup with blue cheese, walnuts & croutons, followed by an assortment of four exciting and flavoursome dishes sure to excite several, if not all, of the five senses:

- Slow cooked lamb shoulder with parsnip puree and parsley salad;
- Confit of duck with cherries and truffled polenta;
- Orecchiette with prawn ragù, Sicilian pesto; and
- Orecchiette with artichokes, peppers and goats curd.

In addition to the superb dishes above, two desserts are on offer: sticky toffee pudding with cream & lemon tart - both guaranteed to go down a treat.

The weather again is no issue as everyone is welcomed in from the elements to warm under the cosy, spacious & inviting marquee set amongst the vines in Chrismont's stunning location at the upper end of the King Valley; heaters will keep you toasty amidst luscious aromas of first rate food & delicious Vittoria caffè.

Now it wouldn't be an event at Chrismont without winemaker Warren's wowser wines to wash down the meal. We offer our new 2005 vintage release of **LA ZONA Sangiovese**, always a popular drop with cellar door guests, and we're introducing two new wines to our range: **Chrismont Cabernet Sauvignon 2004**, a Blue-Gold winner at the Sydney International Wine Competition, and **Chrismont Petit Manseng 2006**, an old variety, most notably grown in the Jurançon region of southwestern France at the foot of the Pyrenees. The ever-popular Chrismont and Chrismont LA ZONA ranges will be available, too. Wine can be purchased by the bottle or glass.

Returning to entertain is **Paris & Co!** serving up their toe-tapping, unmistakable sounds (and antics) under the marquee; the weekend's celebrations are complete!

Bookings are not required. No coaches without prior approval. No outside food or beverage. Enquiries may be made on 03 5729 8220 or info@chrismont.com.au.

Part of the Wines of the King Valley's **Weekend Fit For A King** celebration.
