## LA ZONA ARNEIS 2022 – KING VALLEY

---

*Known in Italy as the “little rascal”, Arneis is traditionally hard to grow. But in the King Valley, the variety flourishes thanks to the regions’ open blue skies and pristine cool climate. An exquisite aperitif with a crisp dry finish, La Zona Arneis is a popular choice with Australia’s wine and food lovers.*

### TASTING NOTES

**COLOUR:** Pale straw with subtle green hues.

**AROMA:** Lifted apple, pear and pawpaw aromas with a touch of citrus blossom.

**PALATE:** Crisp acidity with flavours of honeydew and pineapple, and a bright, refreshing finish.

**FOOD:** Scallops served with a cauliflower and walnut puree and shaved King Valley truffles. **Chrismont Restaurant, Winter menu, 2022.**

### WINEMAKING

*“Fruit was harvested late in the season when green apple flavours were evident and the acidity had adequately reduced, then pressed gently with only the delicate free run juice being used. The juice is then settled to clarify before being fermented cool in stainless steel to help preserve the fruit’s flavours. A short maturation period on lees during autumn and winter helped develop the flavours before a spring bottling.”* **Warren Proft, winemaker**

### THE LA ZONA COLLECTION

Italian for 'the area', La Zona celebrates Chrismont’s heritage and the upper King Valley’s connection and affection for Mediterranean varietals.

### WINE SPECIFICATIONS
