**SIMPATICO**, is a wine inviting you to sample more.

#### TASTING NOTE

Colourfully presented, it exhibits a deep golden hue in the glass. Rich but balanced perfumed nose with a lemony undercurrent which shows bright, bready, toasty notes.

The palate is soft, creamy and loose; moderately dry and fresh with toasty depth to the fruit. Beautifully balanced, quite rich style, with good concentration, delicate acidity and a fine touch of minerality.

The Pinot Noir gives Simpatico great power and body which blends beautifully with its creamy depth.
